

Law College : Naming Ceremony

Warm Greetings to one and all!

With great delight and pleasure I announce the inauguration of our new college named as Smt. Manjulaben Keshavji Meghji Gosrani L.L.B. Programme in Jamnagar. The naming ceremony was held on 25th Oct'19 at Jamnagar where our chief guests were Shri Dharmendrasinh Jadeja (Minister of State, Gujarat Government), Mahant Shri Deviprasadji Maharaj (Shri Ananadabawa Seva Sanstha, Jamnagar) and Shri A.K. Shah (Leading Industrialist – Vapi). Also the entire Gosrani family, Mr. R.K. Shah (Managing Trustee) and Trustee's Shri Chandubhai, Shri Bharteshji and other Principals, teachers, campus staff members, friends and our well-wishers were present to share this elation and make it an unforgettable event.

Oshwal Education Trust was started almost 35 years ago, where we have all the courses designed right from the basic kindergarten education till BCOM, BCA, MBA, IMBA, MCA, PGDCA, etc. almost 12 institutes are functioning very well and has become a brand in education field now. Another feather in cap is the new college for LLB degree. A sizeable amount was also donated by my family in raising Smt. Manjulaben Keshavji Meghji Gosrani L.L.B. college. I am an honoured Trustee of OET and have been providing my services in this trust for last 10 years now. During this college naming ceremony, my family and Mr. A.K. Shah (CMD- Shah Paper Mills, Vapi) have declared Rs.5 Lakhs donation

each towards scholarship scheme.

As we all know education is the only powerful tool for individual successful growth. It develops personality of the people, provides physical and mental standard and transforms people's living status. There is no doubt that the wider socio-economic changes that have taken place in our country over the last two decades have created many promising career avenues for law graduates. Apart from mainstream litigation, the choices range from openings in commercial law firms and companies to careers in research, teaching and public services. Such an expansion of choice can of course be

attributed in part to the establishment of several National Law Universities, which marked the first generation of reforms in legal education. Hence by the means of this L.L.B college OET will help produce more and more legal graduates with development of skills needed to conduct meticulous research, speak effectively and respond to arguments.

Again, I would like to give a big thanks and special mention to all present at this event to make it a great success and spectacular one. Oshwal Education Trust and my family will always thrive to work towards better social responsibilities in future too, as we believe, "The simplest acts of kindness are by far more powerful than a thousand heads bowing in prayer." – Mahatma Gandhi.
