The Resource person for this FDP was Mr. Bhavesh Chandaria – Group Head, Learning, and Training & Development for SAFAL Group for entire Africa region.

The main objective of this FDP was to impart training on changing teaching pedagogy & technology for teaching and learning across the World. Mr. Bhavesh Chandaria imparted knowledge about

“Cerego” – personalized learning software and “hypersay” which is a platform for interactive

presentations that massively increase engagement of students. Faculty members were enriched with this new technology which can be implemented for the betterment of students.

The FDP received very positive feedback and appreciation by the teaching fraternity in terms of making classroom-sessions lively through the many novel methods on how to engage students, arrest their attention, help them to memorize concepts and increase their long-

term memory.

This FDP had been organized by Prof. (Dr.) Ajay Shah - Director JVIMS MBA, MCA & I-MBA. The Chairman, Managing Trustee, Management Committee Members of OET & JET highly appreciated Prof. (Dr) Ajay Shah for organizing this FDP.

We express our sincere indebtedness to Mr. Bhavesh Chandaria for the valuable time he lent us to apprise us on modern tools of enhancing teaching methodology.
